

ATUL RIK

— PASSENGER —
PETROL

Features, Advantages & Benefits

REDEFINING STYLE

The-all-new
muscular look

Majestic & Attractive
Beige Dashboard

Stylish
LED Taillights

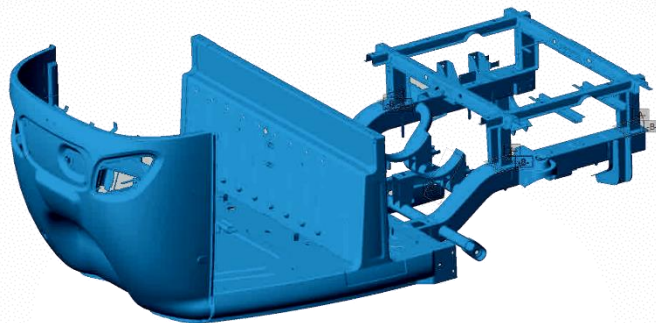

MIGHTY STRENGTH

Metallic front &
rear mudguards

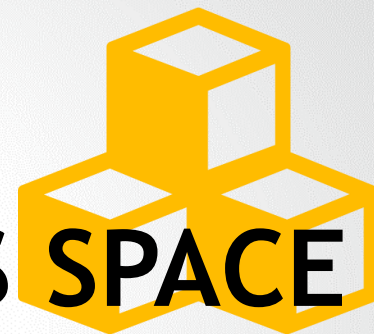

Strong-built
Monocoque chassis

Rigid chassis
mounted bumper

LUXURIOUS SPACE

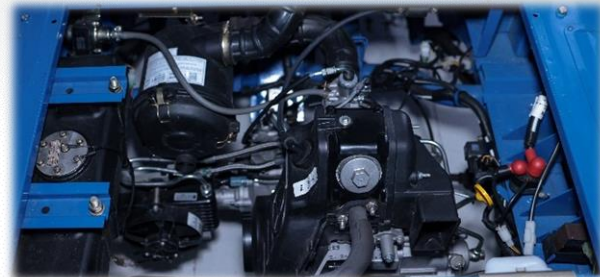

Large driver & passenger cabin space

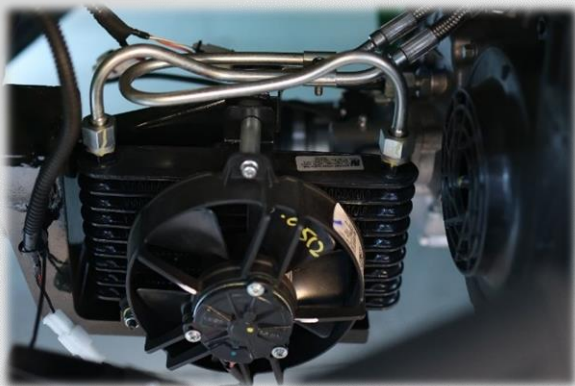

Spacious luggage compartment area

Easy & comfortable two-way access to the engine

ENSURING SAFETY

Bigger oil cooler with
super cooling fan

LH & RH safety doors for
passenger cabin

Best-in-class
Ground Clearance

INCREASED SAVINGS

Best mileage with
high fuel efficiency

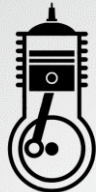

Low maintenance cost

Assuring 24x7 service support
ensuring lesser repair time

Technical Specifications

4 Stroke, SI

ENGINE TYPE

198.6 cc

ENGINE CAPACITY

Engine

FEATURES

4S, single cylinder & forced air cooled 198.6 cc engine

ADVANTAGES

Max. Power - 8.6 kW
Max. Torque - 15.8 Nm

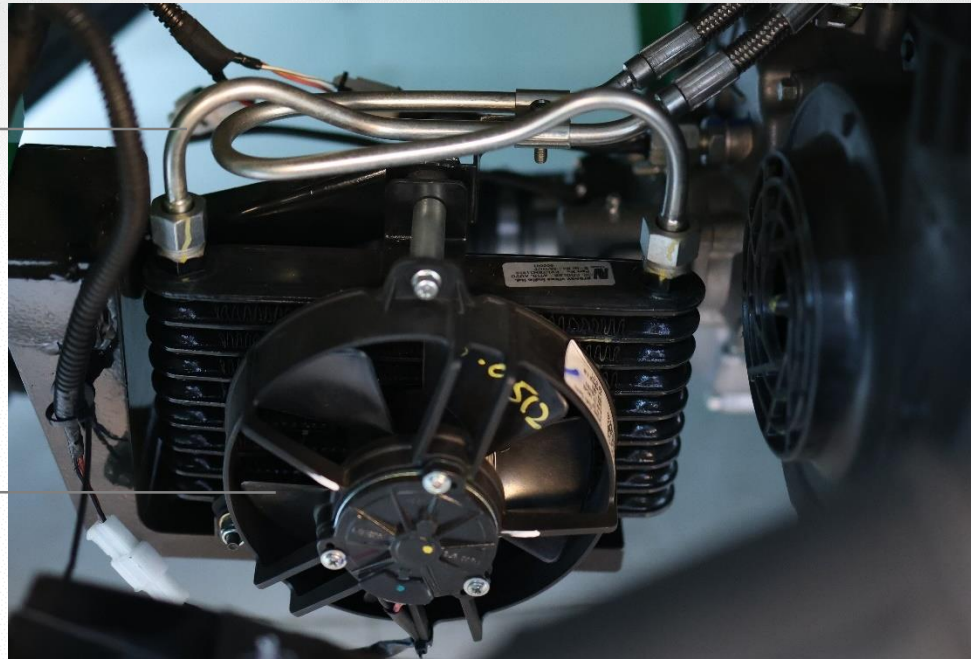

BENEFITS

Powerful pick-up and enhanced acceleration in any load condition

Oil Cooler Assembly

High pressure metallic
inlet & outlet pipes

Powerful cooling fan

FEATURES

Powerful cooling fan on
oil cooler assy.

ADVANTAGES

Increasing the rate of
heat dissipation from
the engine

BENEFITS

Enhancing the durability
of the engine parts

Oil Pressure Switch

OIL PRESSURE SWITCH
ON THE ENGINE

OIL PRESSURE INDICATION
ON CLUSTER UNIT

FEATURES

Provision of Low Oil Pressure indication

ADVANTAGES

Indication alert whenever the oil pressure is lower than the defined level

BENEFITS

Ensures minimum oil level is maintained in the engine and provides caution to the driver on oil level goes below the defined value

Clutch Assembly

Reduced friction plate,
Judder spring & Washer

FEATURES

Clutch mechanism with
judder spring & washer

ADVANTAGES

Smooth power transfer
& easy gear shifting

BENEFITS

Reducing the high speed
vibration at the engaging
point

Dual-pip on the rotor circumference

CDI Unit programmed for dual-pip interference

FEATURES

- Dual-pip Magneto rotor
- Powerful CDI unit

ADVANTAGES

- Accurate timing for generating the spark
- Operational at -20°C

BENEFITS

- Complete combustion of the fuel in chamber
- Easy start of vehicle in cold conditions

Head Lights

FEATURES

Stylish and powerful twin headlamps

ADVANTAGES

Enhanced light collection with dual focal point (HI/LOW beam)

BENEFITS

Enabling clear and long range visibility during night drive

Front & Rear Mudguards

FEATURES

Built-in metallic front and rear side mudguards

ADVANTAGES

Strong and rigid

BENEFITS

Can withstand unwanted impacts in traffic

Tail Lights

FEATURES

Trendy LED tail lamps

ADVANTAGES

Powerful & bright illumination

BENEFITS

Easily visible from long distance

Side Doors

FEATURES

Metallic passenger cabin doors

ADVANTAGES

Safety to the passengers and their kids

BENEFITS

Tension free ride experience for the passengers

Cabin - Ingress & Egress

FEATURES

Step less driver cabin & passenger cabin floor

ADVANTAGES

Hassle free ingress & egress for driver & passengers

BENEFITS

Enabling easy & quick ingress & egress for any aged customer

Dashboard

FEATURES

Stunning beige dashboard with spacious glove boxes

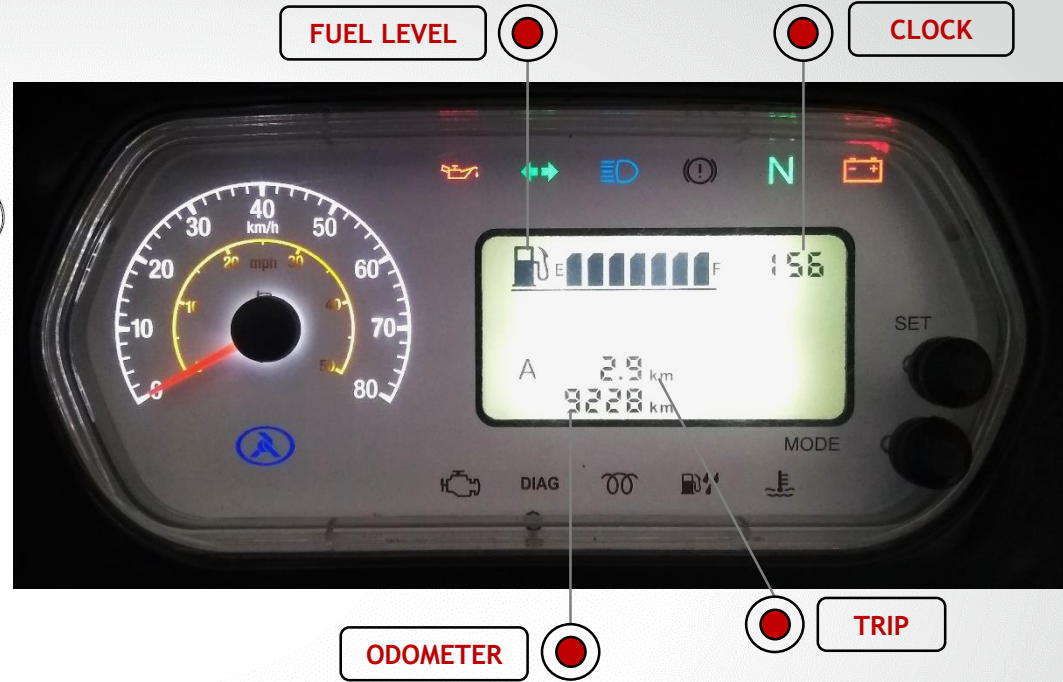

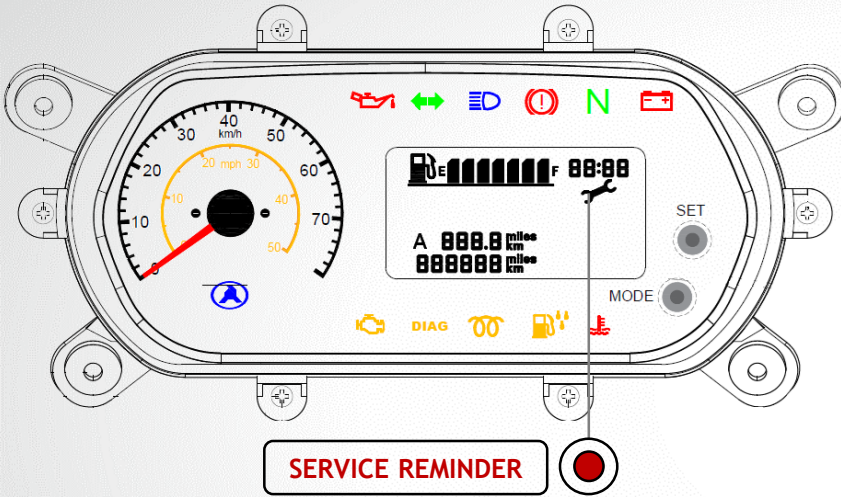

ADVANTAGES

Large glove boxes and one with key lock

BENEFITS

Tension free storage of documents and valuables during drive

Cluster Unit

FEATURES

Digitalized trendy console unit

ADVANTAGES

Precise indication of defined parameters and signals

BENEFITS

Aesthetically designed all at one place display of indications

Handle bar

Coin box

FEATURES

Muscular structured handle bar with control switches

ADVANTAGES

Smooth handling and easy access to the switches

BENEFITS

Premium class feel and user-friendly

Control Switches

Hazard Switch
Head Light Switch
Wiper Switch

Electric Push Start Button

High/Low Beam Switch
Side Indicators Switch
Horn Push Button

FEATURES

Ergonomically located
control switches

ADVANTAGES

Hustle free access for
the driver

BENEFITS

Quick and smooth
operation

USB Port

FEATURES

In-built USB port facility

ADVANTAGES

Can attach electronic appliance using OTG cable

BENEFITS

Charging mobile 'ON THE GO'

FEATURES

Music player with, FM Radio, USB Port & BT

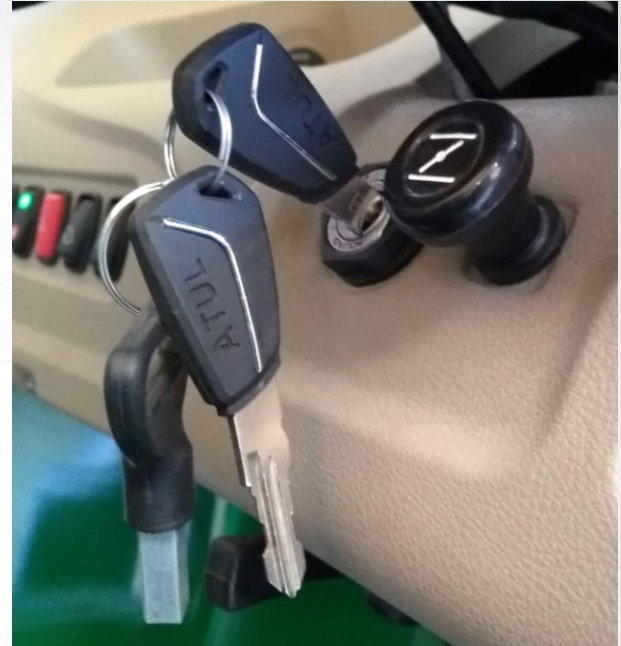

ADVANTAGES

Incorporated with the twin sound speakers

BENEFITS

Entertainment during ride for driver & customers

Control Keys

FEATURES

Stylish control keys

ADVANTAGES

Sleek & slim

BENEFITS

Easy handling and trendy design

Utility Box

Foldable utility box
cover with key lock

Spare wheel,
Jack, Tommy &
Wheel Spanner

FEATURES

Multi-purpose utility box
with key lock

ADVANTAGES

Locked storage of
compact commodities

BENEFITS

Safely securing the
spare wheel & tools

Driver Foot Rest

Footrest near
brake pedal

FEATURES

Footrest near brake
pedal

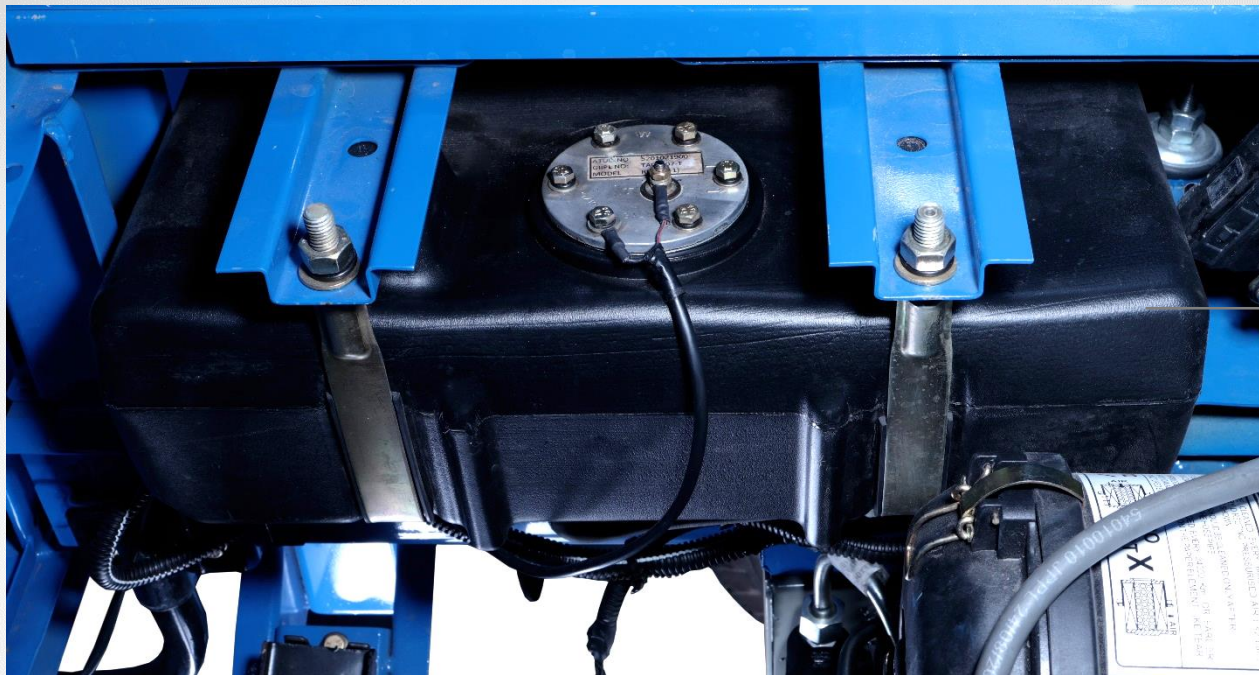

ADVANTAGES

Ease of access to the
brake pedal

BENEFITS

Hassle free access to
brake pedal during any
emergency braking

Fuel Tank

High quality plastic
fuel tank (10 liters)

FEATURES

- Plastic fuel tank
- 10 liters capacity

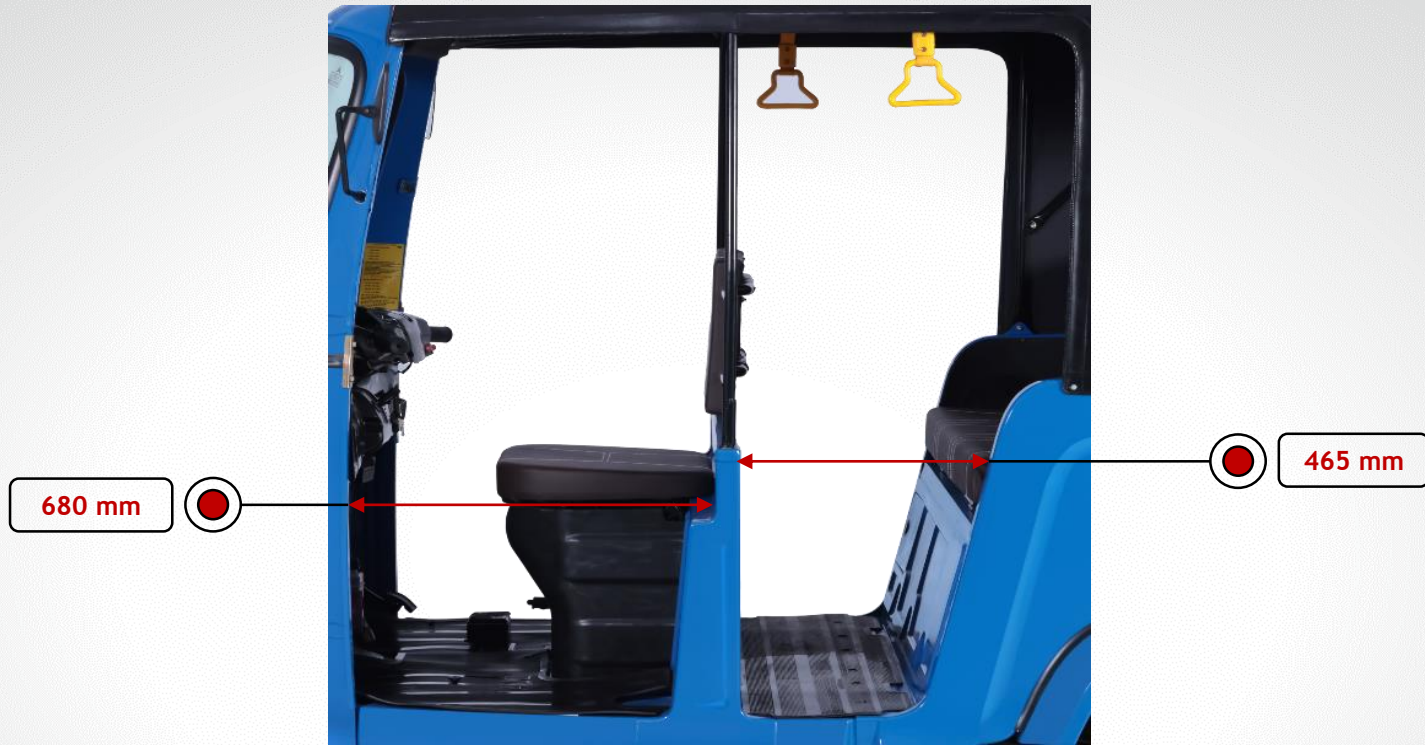

ADVANTAGES

- Long lasting
- More fuel carrying capacity

BENEFITS

- Maintenance free
- No frequent fuel top-up requirement

Cabin Space

FEATURES

Spacious driver and passenger cabins

ADVANTAGES

Luxurious & fatigue free seating

BENEFITS

Best-in-class legroom space for Passengers & Driver

Driver & Passenger Seat

FEATURES

Stylish & brown colored upholstery

ADVANTAGES

Extra cushioning and comfortable seating

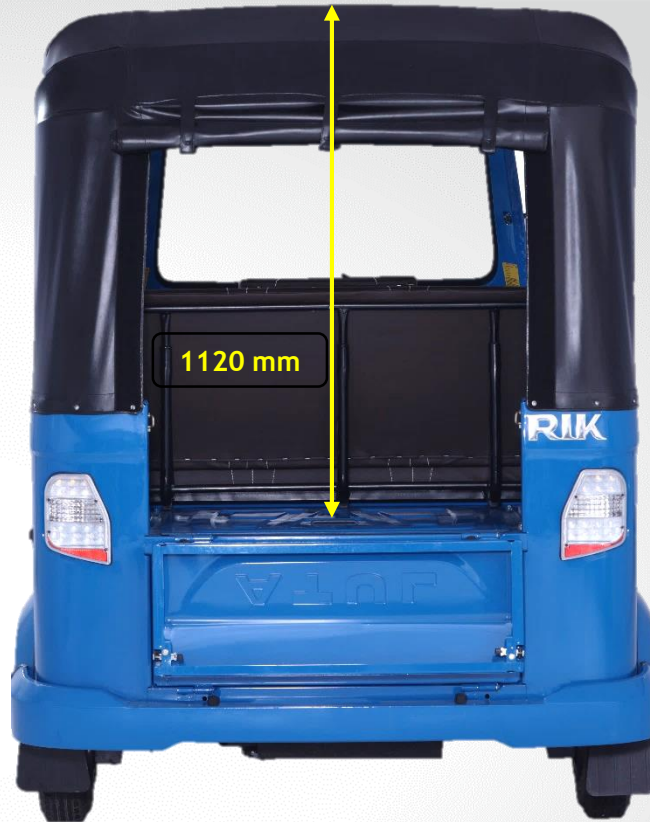

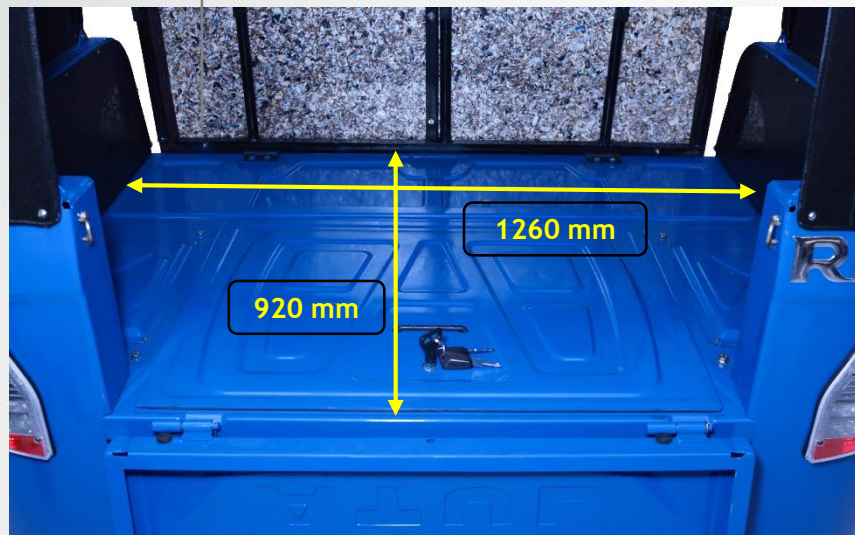

BENEFITS

Fatigue free ride experience even during long-drives

Luggage Space

Extra goods space by folding passenger seat

FEATURES

Extra space for keeping luggage / goods with - **1.3 CBM**

ADVANTAGES

Can easily accommodate and fit any type of luggage bags

BENEFITS

Comfortable seating for customers in passenger cabin

Windshield Glass

FEATURES

Seamless single piece windshield glass

ADVANTAGES

Providing obstacle free and wide angle front view to the driver

BENEFITS

Easy see-through for the driver on busy roads

Front Suspension

FRONT - Telescopic shock absorber with coil spring

FEATURES

Strong front suspension
[Coil Spring + Telescopic
shock absorber]

ADVANTAGES

Smooth dampening of
shocks & impacts

BENEFITS

Fatigue free drive
experience on any road
conditions

Rear Suspension

REAR - Telescopic
shock absorber
with coil spring

FEATURES

Cushioning rear
suspension
[Coil Spring + Telescopic
shock absorber]

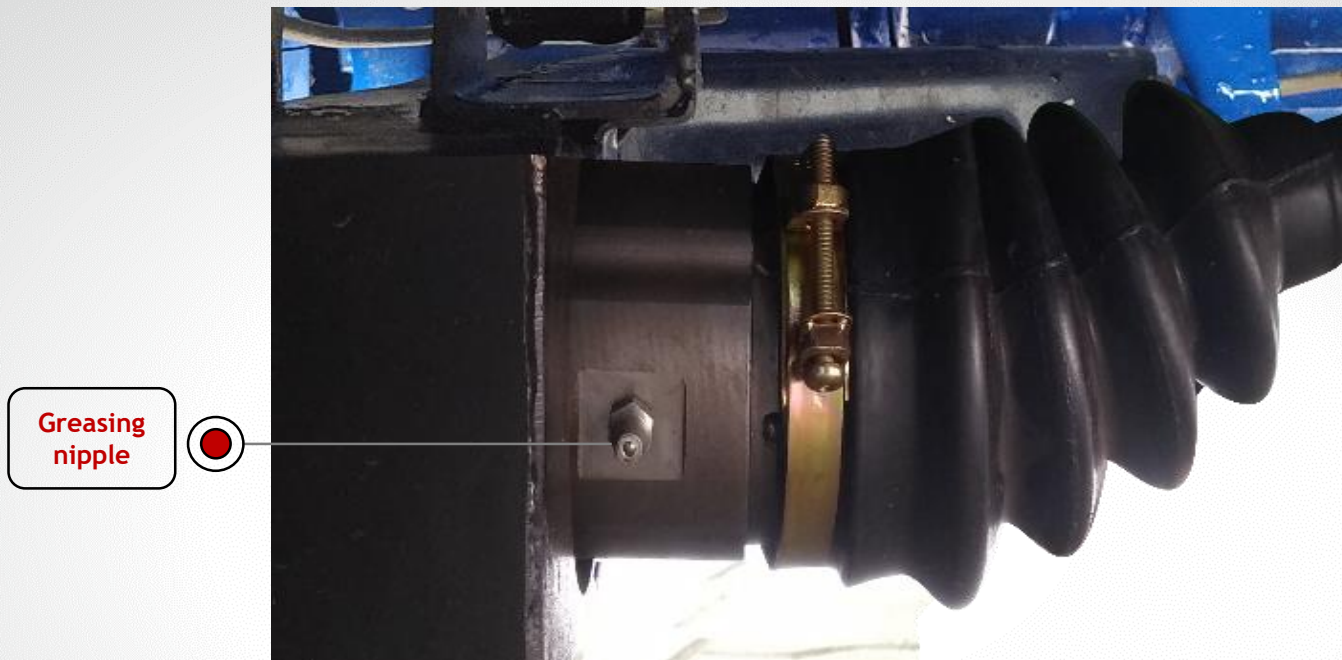

ADVANTAGES

Double acting shock
absorbers for enhanced
dampening of impacts

BENEFITS

Comforting and jerk-less
drive experience on any
type of road

Greasing Provision

FEATURES

Grease nipples provided on the wheel side muff-cups

ADVANTAGES

Easy application of grease during service/maintenance

BENEFITS

No need of removing bellows and clamps to grease the muff-cups

Vent holes

FEATURES

Rear engine inspection door with vent holes

ADVANTAGES

Enhancing the air circulation in the engine compartment

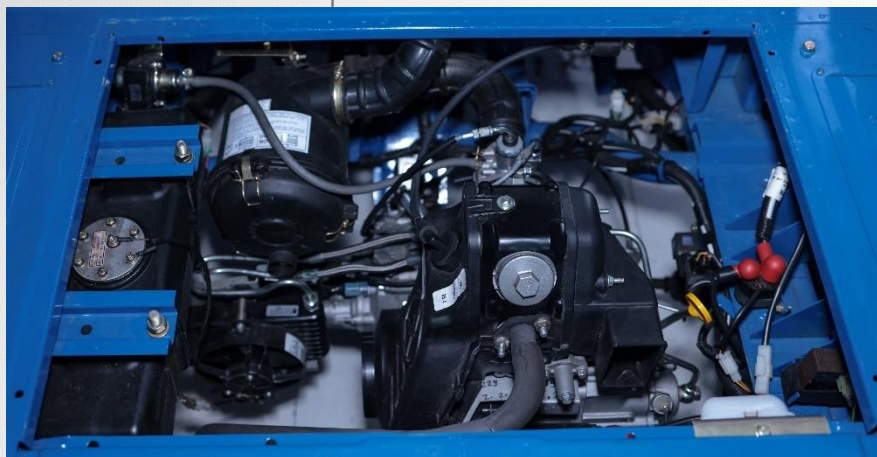

BENEFITS

Maintaining the optimal engine operational temperature

Engine Inspection Space

From Top

From Rear

FEATURES

Spacious and quick access to the engine

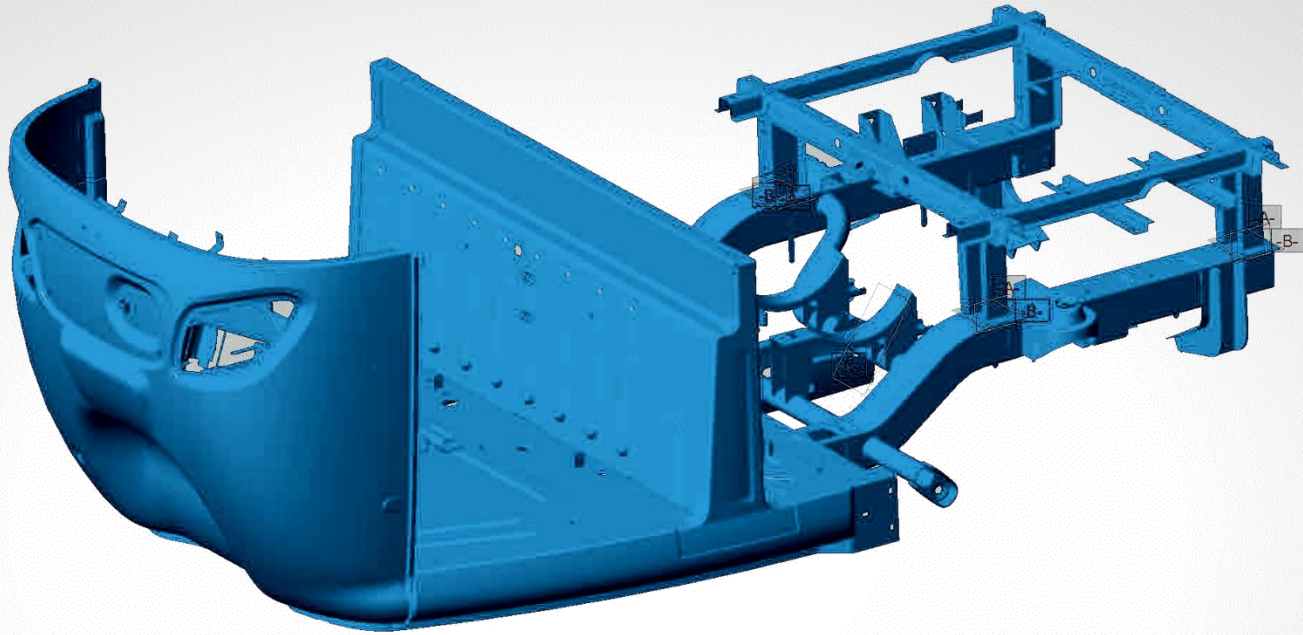

ADVANTAGES

Easy access to the engine during service

BENEFITS

Quicker access and time saving during any service or parts replacement

Chassis

FEATURES

Monocoque pressed section chassis

ADVANTAGES

Strong and robust built

BENEFITS

Heavy load carrying capacity

Ground Clearance

FEATURES

Best-in-class ground clearance

ADVANTAGES

Easy drive over bumps and in off-road condition

BENEFITS

Increased safety to the engine & vehicle

Turning Radius

FEATURES

Low turning radius

ADVANTAGES

Easy turning of vehicle
on the narrow roads

BENEFITS

Enabling quick 'U-turn'
of the vehicle

Grade-ability

18 %

FEATURES

High grade ability - 18%

ADVANTAGES

Enabling vehicle to drive through any type of terrain

BENEFITS

Easily climbs the hilly areas with load

Mileage

FEATURES

Mileage of 27 ± 3 km/liter

ADVANTAGES

Economic and cost-efficient for customers

BENEFITS

More savings in every trip

STYLE

- MUSCULAR FRONT FACIA
- PREMIUM CLASS DASHBOARD
- DIGITAL INSTRUMENT CONSOLE
- SPORTY TWIN HEADLIGHT
- LED TAIL LIGHT

SPACE

- BEST-IN-CLASS LEGROOM SPACE
- STEP-LESS CABIN ENTRY
- EXTRA HEADROOM FOR DRIVER
- MORE LUGGAGE CARRYING SPACE

STRENGTH

- POWERFUL ENGINE
- HEAVY-DUTY MONOCOQUE CHASSIS
- METALLIC MUDGUARDS
- ROBUST HOOD STRUCTURE
- CHASSIS MOUNTED BUMPER

The
YES
Factor!

SAVINGS

- HIGH MILEGAE
- LOW MAINTENANCE COST
- LONGER VEHICLE LIFE

SAFETY

- HIGH GROUND CLEARANCE
- METALLIC PASSENGER CABIN DOORS
- CAUTIONARY WARNING INDICATIONS
- ANTI-DIVE SHOCK ABSORBERS

Thank You!
